Submission Guidelines

To participate in the conference as a speaker or listener with publication, you need to register and submit the abstracts formatted according to the requirements by February 1, 2025, using the link directly by the participant (the abstract file is attached in the registration form):

<https://forms.gle/rDJy5NojX2m6GdZV8>

A cover letter from the department signed by the head, listing the candidates recommended for participation in the conference, along with a list of their scientific works and mandatory indication of the scientific supervisor (name, surname, academic title, position), must be submitted by the head of the student research group by February 1, 2025, using the link (the file is attached in the registration form):

<https://forms.gle/5cy97fR9SjcfWzpw5>

**Registration and submission of scientific abstracts:
by February 1, 2025**

Requirements for formatting presentations of scientific works and posters

Requirements for formatting scientific abstracts

Additional Information

- All scientific works must comply with the norms of academic integrity. In case of violations, the work will be rejected.
- Participants can take part in no more than two sections simultaneously—one in a thematic section with a presentation and one in a poster section.
- Works submitted in English will be included in the multidisciplinary English-language track.

- All registered participants will receive an additional notification from the Organizing Committee after March 1, 2025, upon receipt of the scientific works.
If you do not receive such a letter, please contact the conference organizing committee.
- The scientific council reserves the right to reject scientific works that do not meet the scientific criteria and formatting requirements.
- A cover letter from the department is required for all participants of the conference, indicating the form of participation of the applicants in the conference.

**APRIL 24-25, 2025
ODESA, UKRAINE**

Sincerely,
**The Council of the Scientific Society of Students
of Odesa National Medical University**
